

# LEGAL NOTICE

## *Energy Management Controls at the Lincoln Elementary School*

### **City of Melrose Public Works Department**

*Soliciting bids for upgrades to the energy management systems at the Lincoln Elementary School 80 West Wyoming Avenue Melrose, Massachusetts. The purpose of this project is to upgrade the energy management systems (EMS) to reduce energy consumption at the Lincoln Elementary School. This control system will include an EMS that will regulate and monitor the HVAC equipment. Most of the existing HVAC equipment is presently controlled and monitored by an older out-of-date SIEBE/Barber-Colman EMS with a Johnson Control's FX-60 Supervisory Overlay that does some central unit controls.*

Deadline for sealed bids:

**Friday, April 27, 2017 at 10:30am**

**Bids will be open**

**@ Public Works Operations Building at said date and time  
72 Tremont Street, Melrose**
