Preschool / Child Find Screenings - January 13, 2021

The Lynnfield Public Schools sponsors free Child Find screenings for children ages 3 through 5. Parents who suspect their children may have a disability or may not be developing skills at age-appropriate times may wish to have them screened at the Child Find Screening. Specialists screen children's overall development, including speech and language, motor skills and learning. Results are shared with parents and are confidential.

Screenings will be held by appointment only on Wednesday, January 13, 2021 at the Lynnfield Preschool located at Summer Street School, 262 Summer Street. For more information, or to schedule an appointment, please contact Karen Roberto at 781-334-5830 or email robertok@lynnfield.k12.ma.us
